## Redwood Empire Chapter HOG #3494

### Directors Report

Greetings Everyone,

Are you ready to ride? The stay at home order has been lifted and restaurants are serving with outdoor seating. Let's get back to riding together.

As a reminder here are the new social distancing rules and mask requirements for All REHOG rides for now.

1. Face coverings must be worn at all times when off your bike and within 6 feet of someone else.
2. Social distancing must be observed at all times remaining at least 6 feet apart.
3. Road captains will check in all riders, and guests.
4. Rides will be broken up into two separate rides. The first ride will end when the road captain declares that the first ride is over. There will be at least an hour break then the second ride will begin from that destination. Road captains will again check in riders who plan on participating in the second ride. We encourage road captains to end the first ride at a destination where food can be purchased and riders entering any establishment do so at their own risk. There will be no social gathering organized by the road captain.

I understand and respect each person's rights to wear or not wear protective face coverings. So if you disagree with these guidelines please do not participate in the rides for now. I thank you for your cooperation in advance.

The calendar is updated and the overnight rides are being planned. Stay tuned for more information on how to reserve your hotel rooms for these rides. One date to put in your calendar now is Sunday, August 29 our annual Summer Run. More details as we get closer providing we can have larger gatherings by then.

We closed out 2020 financials and we have reserves to continue our Sonoma County Harley-Davidson Gift card giveaways at each ride. Values range from \$25.00 to \$50.00 for each card. You could be our next lucky winner. These drawings are for members only and there is no cost to participate in the drawing.

I look forward to seeing each of you soon, Let's Ride and Have Fun

## Assistant Directors Report

Hello February RECHOG!!

Well, looks like the "stay at home" order has been lifted by our wonderful Governor so you know what that means, IT'S TIME TO RIDE!! It's about time to. Now we just have to hope the weather is cooperative. I know we need the rain but we need to ride too.

February 7th we are going to see the parrots of San Francisco. That should be interesting. Then a couple of rides later in the month by our own Heidi. She always has something fun up her leather clad sleeves. Watch the calendar for that one. March and April we will hit the ground riding with a passion.

On a personal note, I am going to be spending a lot of time with my mother who is recovering from a stroke. I am bringing her home in mid February. She does have a live-in caregiver who will be taking care of her 24/7 which means, hopefully, I will be able to get on the HOG and make some noise with you all.

That's it for now until next month.
