Redwood Empire Chapter HOG #3494

Directors Report

Happy New Year Harley Owners,

2021 is in the books, it was a year of adapting to an ever changing set of rules and regulations regarding the pandemic and to our riding. We learned that we can still

ride together, eat together and be social in a safe manor. I applaud all of the riders that stuck with it. We wore masks, we kept our distance, and we were respectful of others. Thank you.

2022 is going to start out very similar to 2021 with the same social distancing rules. Because of that our general meetings will not begin until the mask mandate has been lifted. We will have a couple of outdoor meetings before rides this year and we will let you know well in advance. Your road captain Glen Childers has a fun filled ride calendar for 2022. We elected to put two rides per month on the calendar in addition to the 6 overnight rides. Weekday rides were not scheduled but we all know how to put one of those together, just call a few comrades and off you go.

New for 2022 I will be putting on a few "Harley Davidson Ride Planner" classes this year. This program is on the HOG website for all HOGs to use but it can be a bit frustrating to use. It does sync well with our navigation systems though. I have learned a few tricks to make it a little more user friendly and am happy to share my experience of the program with all of you. The first one is for our road captains (they will be my genie pigs) if all goes well I will have more during the year.

I look forward to riding with you again this year, we had a lot of fun and we stayed safe. Personally I will be off my bike until mid-March. I ruptured one of the tendons in my left ankle and will have it repaired in early January. Recovery is 8 weeks then physical therapy....wooo whoo.. doesn't that sound like fun. Until we ride again,

Ride Safe & Have Fun

Randy Mack
Director

Assistant Directors Report

HAPPY NEW YEAR HOGGERS!

Time to say "Good Bye 2021, Hello 2022"! Last year was quite the challenge but we were able to pull through with some awesome rides with great views, great turns, great tunnels, and great friends. Now we look forward to a new year with new adventures.

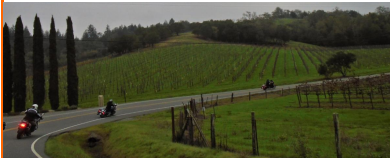

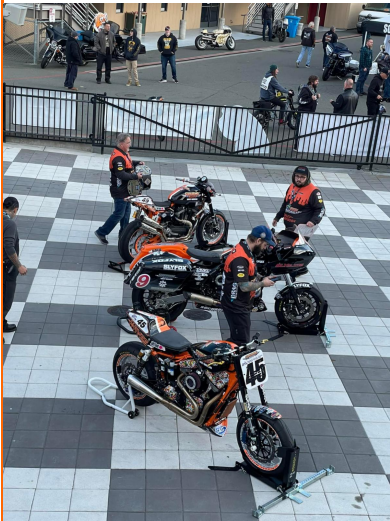

It is my pleasure to serve, once again, as your Assistant Director. It is my hope that one day, we can meet at our usual eatery and have indoor meetings once again. Looking at the ride calendar this year, our Head Road Captain Glen, has put together an excellent schedule of rides. I'm looking forward to some of the over-nighters. Who knows what kind of mischief we can get in to? HAHA. In the up-coming months I will be updating the membership on rallies both state and local. Chico HOG is holding their annual North Meets South Rally from June 23rd to the 26th. More details to come.

I hope everyone has a safe and Happy New Year filled with joy and laughter, and of course, rides. That's it for this month. Next month: Valentine's Day and the Esparto Almond Festival. Fingers crossed!!

A Message from your Regional Manager

Greetings Chapter Officers,

For 2022, we are pleased to return to in-person Regional Officer Connection (ROC) training sessions at 14 locations nationwide. ROC is your opportunity to work with the national H.O.G. team and fellow officers from around the country to learn best practices, exchange ideas about H.O.G. chapter activities, rides and events, and discuss other ways to make your chapter the best it can be. ROC training sessions are intended for Chapter Officers, H.O.G. Managers, and Dealer Principals and all are welcome to attend.

These active-learning sessions will last the full day with a break for lunch. In addition to group sessions, there will be several 'break-out' activities for attendees to split into smaller groups to discuss, share, and brainstorm ideas.

Please read the instructions in this email and feel free to reach out to me with any questions you may have. We appreciate the time and effort you invest as an officer and look forward to having a fun, engaging time with you at a ROC session soon.

CHRIS HARRISON
