Redwood Empire Chapter HOG #3494

Directors Report

Happy Spring RECHOGians,

Spring is a time for new beginnings, bulbs and plants are starting to sprout and events start happening. Mark these dates down in your calendar; you won't want to miss them. March 7th

Heidi leads a ride out to Goat

Rock. March 12th I will lead the chapter out to the Delta with lunch at the Hood Ranch Kitchen. March 14th Day Light Savings Time begins so we jump forward with longer days and it is national day (3.14), I like to think of it as pie day which just another reason to eat pie (a la mode of course). St. Patrick's Day March 17th is a good day for corned beef and cabbage and perhaps the rest of your pie. To top it off we have the first day of Spring March 20th which is also the day Sergio leads us to Filoli Historic Gardens in Woodside. Please check the calendar for ride times and updates

www.rechog.com/calendar .

Also on March 17th it will one year since our lock down started due to the COVID 19 pandemic I feel for all the families and friends who have lost loved ones to this crisis and look forward to it coming under control so we can greet each other and friends with that big welcoming hug instead of these elbow and fist bumps. I see a light at the end of the tunnel and look forward to more riding and fun days ahead. Currently we are still under our riding restrictions.

As a reminder here are the social distancing rules and mask requirements for All REHOG rides.

1. Face coverings must be worn at all times when off your bike and within 6 feet of someone else.

2. Social distancing must be observed at all times remaining at least 6 feet apart.
3. Road captains will check in all riders, and guests.
4. Rides will be broken up into two separate rides. The first ride will end when the road captain declares that the first ride is over. There will be at least an hour break then the second ride will begin from that destination. Road captains will again check in riders who plan on participating in the second ride. We encourage road captains to end the first ride at a destination where food can be purchased and riders entering any establishment do so at their own risk. There will be no social gathering organized by the road captain.

I understand and respect each person's rights to wear or not wear protective face coverings. So if you disagree with these guidelines please do not participate in the rides for now. I thank you for your cooperation in advance.

Ride safe and have fun,

Randy Mack

What's up HOG Nation??

I hope you all have been out there getting your ride on. I have been dealing with some personal issues as you know but will be out there as soon as possible. It looks like things are going in the right direction with this "thang" going on. I am positive that we will be back to normal is just couple of months. I hope!!

We have been given the "all clear" signal to ride with all the standard safety protocols in place. We all know what they are so I'm not going to repeat it. I do glance at social media pages and see that most of our members are riding in their own groups and having a blast.

Looking ahead, Heidi will be leading us to Goat Rock on Sunday, March 7th. On Friday, March 12th, Randy will be leading us to Foster's Big Horn for lunch with the animals (stuffed that is). Finally, Sergio (my favorite Chilean) will be leading us to Filoli Historic Garden in Woodside on Saturday, March 20th. As always, these rides are subject to all the safety requirements. Oh, yeah, I almost forgot, all of these rides are chances to win GIFT cards from our awesome dealer (Sonoma County Harley Davidson if you didn't know).

That's it for me. Stay safe and keep keepin' on!!
