Assistant Directors Report

Spring has Sprung HOG Nation,

That's right! Time to get out and enjoy the blooming bushes and colorful foliage of the area. The group recently attended the Esparto Almond Festival which has not been

held in over two years due to the pandemic. Let me tell you, Harley's were out in force on that day. Well over 800 motorcycles with twice as many people. The ride up through the hills was beautiful. Thanks to Head Road Captain Glen for taking the lead. More on that later.

With Spring comes the start of over night rides. Check the HOG calendar for which ones suit your needs or days off. If you haven't been to a state HOG rally yet, make sure you schedule Sergio's ride to the Spring Rally March 31st going to Lancaster, California. Always a blast meeting other HOG

members from all over the country.

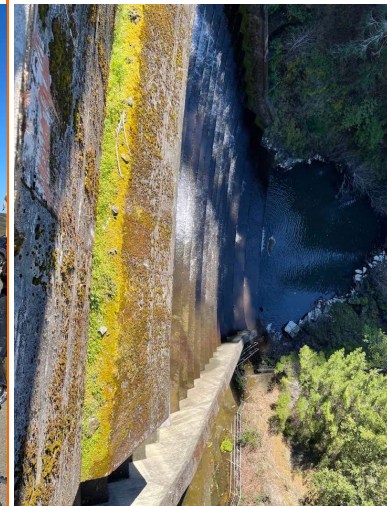

Getting back to the Almond Festival, that was supposed to be my ride but, wouldn't you know it, I had a dead battery. I was able to make to SCHD in time to buy a new one, install it, and meet the group in Esparto. Many thanks to SCHD for the speedy service and special thanks to HOG member Steve Holly who stayed behind with me to make sure I didn't ride alone. I love my HOG brothers and sisters.

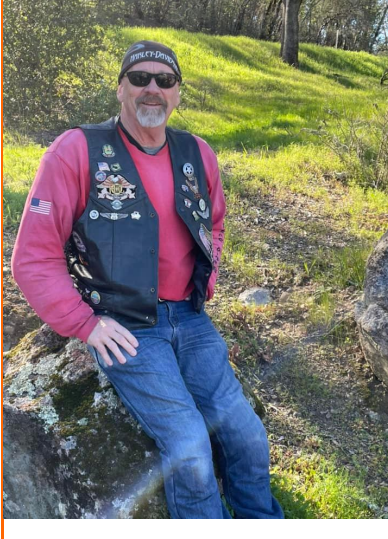

That's it for this month. See y'all on the road!!
